Review panel - draft brief (draft 2)
Register entry R-09 / archive record AR-09

Purpose: describe what a finished tool must do for the Academic Office.

Outputs: a generated term timetable; a list of unresolved conflicts;
manual adjustment of individual slots with re-checking.

Inputs: faculty availability and load; room inventory with capacity
and equipment; section, batch and elective lists; subject hours.

Open point: method is not prescribed. An agent-based approach is welcome.
